Ahmad Khairul Anwar

Full Stack Javascript Developer

Hello! I am Ahmad Khairul Anwar.

I had 4 years experience of work in several field (content management, web developer, ghost writer, etc).

As a Front End Engineer i love to deliver good product for client and user, for now i am using React Library for most of my project.

As a Back End Engineer i had several knowledge using node js, express, laravel PHP to creating APIs. I likes to learn something new and sometimes writing to track of my journey
